

3x600 Results Cadillac Sportsman's Club May 13, 2007

I would like to thank you for taking the time and spending the fuel money to attend our season's first 3x600 yard match. We had 10 'F' class shooters and 17 conventional shooters. I think Bret Solomon traveled the furthest coming from Monroe Michigan. Bret is a "regular" at the Midland matches and Washtenaw matches. Tim and Ted Webster and Lynn Grenier also traveled quite a distance coming up from Saline, Milan and Chelsea area of Michigan. I believe Tim and Ted were shooting their first 3x600 F class matches.

We had three Junior shooters, Stephanie Setser and Art Wise are returnees from last season and a new Junior, nine year old Jake Sauve shot F(tr) class and showed some of us how to shoot off of a bipod using a .308 caliber rifle. Nice shooting Jake.

Brad Sauve had an outstanding day and shot a 594-35X using his Palma rifle. Bret Solomon added to his reputation as a top F class competitor with a fine finish of 594-22X. Bret is dedicated, I arrived at the range to set up my paperwork for the match at 6:30am and Bret was already on the 600 yard firing line set up with his spotting scope and watching the wind patterns.

Renzo Tormen and Dick Pardini shot some great scores in Master class, I think Renzo is shooting a new rifle and Dick has a new barrel on his Gilkes/Ross rifle. Looks like they are on their way for a great season, watch out Brad. Dick shot a 592-30X and Renz shot a 591-25X.

John Wier went down memory lane and broke out his old M1A. Once he had the old iron dialed in after the first match he shot a 195-10X and 193-3x in the last two matches.

Tom McCloskey had a story about being stopped on the way to the match for doing 75 in a 45 zone. Only Tom could talk his way out of getting a ticket doing 75 in a 45 zone. And Tom make an extra set of your car keys and I will keep them with the stat supplies. We have to get your car key problem under control. At least we did not need the locksmith this year.

I hope everyone had a good time at the match and I hope you will come up for our next 3x600 match on June 17th 2007

Hope to see you at our next match.
