

**Results Cadillac Sportsman's Club
3x600 Mid Range Match
July 22, 2007**

We had twenty two shooters attend our July twenty second Mid Range match. Ten of the competitors shot F class. The weather was fine with light wind and plenty of mirage.

The overall match winner was Brad Sauve dropping only three points all day. Brad's score was a 597-28X. Second overall was again our man from Indiana Haven Williams, dropping only 7 points all day with a score of 593-25X. Renzo Tormen took third overall again only dropping seven points all day but was out X'ed by Haven. Renzo's score was 593-22X.

Tom Eschbaugh must have been feeling nostalgic and brought out his M-1 Garand, this combined with the "Reliables"; Tom Palethorpe, and father/son team of Art and Carl Wise shooting their AR's let me pay a Service Rifle award, which Tom Palethorpe won with a score of 523-7X. By match 3 Tom Eschbaugh was getting back into the groove of shooting a Garand, with the help of Dick Pardini reminding him, "You have to hold on to that rifle". Seems I saw Tom rubbing his cheek after each 10 or X he shot, no pain no gain!

In the F class match Ted Webster and Mike Ross battled it out with Mike winning first place with a 584-17X and Ted coming in second with a 582-16X.

I would like to thank all the competitors for taking the time and spending the gas money to attend the Cadillac Sportsman's Club 3x600 match. I hope you enjoyed the match. The next Match is Aug. 19th.
