

## Cadillac Sportsman's Club Mid Range 3x600 yard Match July 8 2007

We had 13 shooters attend our July 8<sup>th</sup> 3x600 yard Mid Range match 3 shot F class. The day was hot and muggy with a bit of light rain early in the match. I think our canopies covering the firing line did a good job of keeping the shooters and their equipment dry and providing shade later in the day when the over cast skies cleared and we had a bright sunny sky. I do believe the ice cream and sherbet were a welcome refreshment at the end of the match.

Pete Church, Renzo Tormen, Dick Pardini and Haven Williams shot some excellent scores and challenged each other throughout the match for the overall match winner position. At the end of the match the steady shooting Pete Church won the match with a 596-36X.

The next Cadillac High Power matches will be July 21<sup>st</sup> that will be an 80 shot across the course match and July 22<sup>nd</sup> that will be a Mid Range 60 shot 3x600 yard match.
